20 February 1963

DD/S
STAFF MINUTES
19 February 1963

Present: Scoville
Giller
25X1A [redacted]
Ledford
Cunningham
25X1A [redacted]

1. Dr. Scoville requested that OSA look into the matter of cameras for later operational needs. The question of choice and procurement need to be considered against lead time requirements, operational needs, etc. OSA is to study these problems and make recommendations.

2. Dr. Scoville had the final draft of the DD/S Career Service Directive and asked for final discussion and concurrence by the members present. After a brief discussion, all concurred.

3. In discussing a recent OSA memorandum requesting the Director of Communications to proceed with the recruitment
25X1A of approximately [redacted] communicators, it was agreed that the total manpower needs of OSA should be gone over with the DD/S at an early date in an effort to develop the best solution and timing to this problem on a prolonged basis.

4. In a brief discussion of the tanker requirement in connection with the OX program, it was agreed that it would be desirable for OSA to brief General Carter.

5. Dr. Scoville requested that there be a discussion
25X1A with the NRO concerning the overrun on [redacted]

6. In a brief discussion of the electric power situation
25X1A at [redacted] and the anticipated increased requirements, it was agreed that the purchase of commercially supplied power would undoubtedly be the best solution. OSA is to follow-up on this matter. [redacted]
